KS2 and KS3 The Harbour School @ Tipner
 Years 5 to 9 Social, Emotional and Mental Health Needs

Tipner Creative Curriculum

Our Curriculum uses a thematic approach to learning. We plan learning for engagement, play, exploring skills, gaining knowledge, deliberate practise and mastery within our PACE approach. We enjoy creative learning and celebrating learning successes with a Growth Mindset Approach. Our themes cover the National Curriculum and ensure progression in learning. Every class has time for offsite learning with outdoor adventurous activities. We learn through the Tipner Values of:

Tolerance, Imagination, Pride, Never-Failing, Resilience
