Thursday 20th May 2021

Dear Parents/Carers,

Emotional Literacy Learning, Pastoral Support and Home Visits

The Harbour School has updated its Covid 19 Risk Assessment in line with Government Guidance.

We can provide indoor home visits for the following:

- Emotional Literacy Learning
- Pastoral Support
- Safeguarding and welfare visits

Academic learning with the tuition service will continue to be provided remotely.

When an indoor visit to your home is planned, please follow the guidance within our risk assessment:

- Provide ventilation by opening a door or window
- Use your largest living space
- Wear a face covering, unless exempt
- Minimise contact by only having the people required in the room

Staff will:

- Call first to ensure that no-one is displaying symptoms or unwell
- Wear a face covering, unless exempt
- Follow hygiene requirements using hand sanitizer and wiping surfaces.
- Politely decline refreshments.

Please visit our website, [The Harbour School Portsmouth – Safe Within – Ready To Sail](#), to view our updated risk assessment.

Kind regards,

Lisa Taylor
Deputy Headteacher, The Harbour School
